

Thanks to Joan Meadowcroft and Edith Smith

I, along with the Silver Ridge Board of Directors and the Silver Ridge community, wish to thank you both for your hard work and dedication as President and Vice-President on the Silver Ridge Condominium Board of Directors.

During your years of serving on the Board, both of you have been very instrumental in planning and execution of many successful projects. Projects that have enhanced our community now and for the future.

Again, I personally thank you for your hard work for this community.
